

## **PU-BLESS THE WORLD INITIATIVE**

**Isaiah 42:12** Let them give glory to the LORD, and declare His praise in the coastlands.

**Isaiah 41:1** Be silent before me, you coastlands, and let the people renew their strength! Let them come forward, then let them speak together—let's draw near for a ruling.

### **INTRODUCTION**

PU-Bless the World Initiative is an approved motivational programme at Pwani University. It seeks to make a positive difference at Pwani University, our Coastal region, our country Kenya and the World. It is based on the conviction that we have a duty to develop and use our God-given abilities to make our social and natural environment better for all. Our rich religious and cultural heritage provide basic values and principles that provide a framework on which to operate effectively and efficiently. As believers in an Almighty God and appreciative of all endowments and gifts we enjoy from God, we pledge to create hope and an environment where all people are respected and valued, quality service provided and human potential appreciated and developed.
