

# ODERA BENSON ONYANGO

Pwani University, Kilifi, Kenya • 0706568978 • [b.odera@pu.ac.ke](mailto:b.odera@pu.ac.ke)

## Objective

---

---

Equip students and researchers with GCLP skills

## Highest Profesional Training

---

---

Higher National Diploma in Applied Biology (KNEC),

**Core Units:** Pharmacology and Toxicology, Animal physiology, Microbiology, Management and Statistics

## Skills

---

---

- Skilled in preparing reagents and handling laboratory animals
- Proficient in Ms.Word, Excel, Internet, Mac iOS and Linux.
- Able to operate simple and complex lab equipments I.e. UV-vis Spectrophotometer, Nano Drop spectrophotometer, pH meter, Microscope, Microtome, Lathe machine, Polarimeter, Electrophoresis machine, Centrifuge,, Water distiller, Portable gaseous exchange photosynthesis machine, water purification system, Thermocycler, Vacuum rotor evaporator, safety cabinet and Lyophilizer.

## Work Experience

---

---

**Pwani University**  
**School of Pure and Applied Sciences**  
**Department of Biochemistry and Biotechnology**  
**Kilifi, Kenya**

### **Position- Laboratory Technician**

**Duties:** Organizing and running practical for undergraduate students, Inventory control, Maintaining cleanliness and neatness of the laboratory, Maintaining safety and security within the laboratory, Providing technical support to researchers, Repair, maintenance and calibration of some laboratory machines.

## Training

---

---

- **Good clinical laboratory practice (GCLP)**-Kemri Wellcome Trust in collaboration with Global Health Laboratories (May 2017)
- **Quality Assurance and Quality Control**-Kemri Wellcome Trust in collaboration with Global Health Laboratories (June 2017)
- **Biosecurity and Biopreparedness**- Centre for Biosecurity and Biopreparedness, Denmark (CBB) in collaboration with CUE,NACOSTI (January 2018)
- **Class BCE Driving license**\_ Alzein Driving school (2017)
